Privacy Notice

Under the Data Provision Requirements 2012, Foundation Training Australia (FTA) is required to collect personal information about you and to disclose that personal information to the National Centre for Vocational Education Research Ltd (NCVER).

Your personal information (including personal information contained on our enrolment form), may be used or disclosed by FTA for statistical, administrative, regulatory and research purposes. FTA may disclose your personal information for these purposes to:

- Commonwealth and State or Territory government departments and authorised agencies; and
- NCVER.

Personal information that has been disclosed to NCVER may be used or disclosed by NCVER for the following purposes:

- Populating authenticated VET transcripts;
- Facilitating statistics and research relating to education, including surveys and data linkage;
- Pre-populating RTO student enrolment forms;
- Understanding how the VET market operates, for policy, workforce planning and consumer information; and
- Administering VET, including program administration, regulation, monitoring and evaluation.

You may receive a student survey which may be administered by a government department or NCVET employee, agent or third party contractor or other authorised agencies. Please note you may opt out of the survey at the time of being contacted.

NCVER will collect, hold, use and disclose your personal information in accordance with the Privacy Act 1988 (Cth), the National VET Data Policy and all NCVET policies and protocols (including those published on NCVET's website at www.ncvet.edu.au).

In addition, FTA logs information about any access and use of our website, including through the use of Internet Cookies. Such as measurement tools, communications with our website, the type of browser you are using, the type of operating system you are using, and the domain name of your Internet service provider.

We like to make sure we are in touch with our community, therefore FTA may contact you to voluntarily respond to questionnaires, surveys or market research which serve to seek your opinion and feedback. Engaging in surveys is entirely optional, however we highly encourage you to provide us with feedback as we aim to continually improve our products and services. We may from time to time receive personal information from third parties, which will be treated in accordance with this Privacy Policy & Notice and Australian Privacy Principles. You may opt out of marketing communications at any time.

Collection and Use of Personal Information

FTA collects and uses personal information for the following purposes:

- To provide information about you to our network of industry partners and contractors (consultants or contracted third parties including mentors and employers) for the purposes of assisting you to effectively manage your progress, and to support your individual needs (all third parties will abide by this Privacy Policy & Notice and the Australian Privacy Principles).
- Provide information, products and services to you and request information to manage and administer those products and services (including enrolment, assessment and issuing certificates, record of results, statement of completion or attainment, and/or testamurs),

- Contact you for market research or direct marketing purposes (you may opt out at any time),
- Customise the website according to your interests and needs, and
- To customise documents according to your business needs.

FTA may contact you via a variety of measures including by telephone, email, SMS, FB Messenger, Skype, Chat or mail. All communications from FTA will be via your contact details recorded on file. You may also engage with FTA via various social media platforms,

which collect and store your personal information and data. It is your responsibility to keep your details up to date. You may update your contact details or preferred method of communication, unsubscribe, or opt out from any marketing communications by contacting FTA at any time.

Disclosure of Personal Information

FTA may disclose your personal information under the following circumstances:

- for the purpose of providing third parties (including employers and trainers) with information about your progress,
- for the purpose of providing information, products and services to clients,
- to register and administer events, promotions or competitions
- to verify personal information details upon request from third parties, such as completion of courses, a request from a potential employer verifying a qualification and further enrolment into another institution,
- to comply with our legal and regulatory obligations, including disclosure and reporting to Commonwealth, State and Territory government agencies for planning, evaluative, administrative and funding purposes. This may include:
 - disclosure and reporting to Commonwealth and State government agencies (including State Training Authorities) for the purpose of administering entitlements to financial assistance under Commonwealth and State government programs for supporting students.
 - disclosure to government agencies responsible for administering and regulating education and training providers in Australia, Australian Skills Quality Authority (ASQA), Tuition Protection Service (TPS), and
- for students under 18 years of age; information regarding attendance, progress and general well-being may be provided in order to keep parent(s) and/or guardian(s) adequately informed,
- to credit reporting agencies and courts, tribunals, regulatory authorities where students fail to pay for goods or services provided by us to them,
- to courts, tribunals, regulatory authorities, and law enforcement officers as required by law, in connection with any actual or prospective legal proceedings, or in order to establish, exercise or defend our legal rights,
- to one or more Consultants for the purpose of providing information and services to you,
- to the relevant third party or parties, with our client's consent, if the matter involves third parties, and
- to third parties, including agents, referral partners, contractors and sub-contractors for the purposes of providing information, products and services to you. This may include parties located, or that store data, outside of Australia. All third parties will abide by this Privacy Policy & Notice, the Australian VET Data Policy, and the Australian Privacy Principles.

If there is a change of control of our business, sale, or transfer of business assets, we reserve the right to transfer to the extent permissible at law and the Standards for RTOs 2015, our user databases, together with any personal information and non-personal information contained in those databases. This information may be disclosed to a potential purchaser. FTA would seek to only disclose information in good faith and where we have sought to maintain confidentiality.

FTA does not typically, or routinely disclose personal information to overseas recipients, unless the overseas recipient is a contracted third party acting on behalf of the RTO, or an exception under the Australian Privacy Principles applies. FTA will only disclose personal information to overseas recipients where reasonable steps have been taken to ensure the overseas recipient does not breach FTA's Privacy Policy & Notice, the Australian National VET Data Policy, or the Australian Privacy Principles.

Cookies Policy

Our website uses cookies to distinguish you from other users of our website. These cookies help us to provide you with an awesome user experience when you're browsing our website and also permits us to improve our site. By continuing to browse the site, you are agreeing to our use of cookies.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- Strictly necessary cookies. These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.
- Analytical/performance cookies. They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
- Functionality cookies. These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
- Targeting cookies. These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies. You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies

(including essential cookies) you may not be able to access all or parts of our site.

National VET Data Policy

This Policy brings together requirements for collecting nationally consistent data about VET activity and processes, and for using data in statistical collections and national surveys.

Security

FTA is committed to ensuring that the information you provide to us is secure. In order to prevent unauthorised access or disclosure, we have put in place suitable physical, electronic and managerial mechanisms and procedures to safeguard and secure that information, and to protect your sensitive information from misuse, interference, loss and unauthorised access, modification and disclosure.

While no information transmitted via the internet can ever be guaranteed to be secure, therefore the transmission and exchange of information via the internet is at your own risk, we apply every reasonable measure to provide the highest degree of security possible in accordance with this Privacy Policy & Notice, the Australian National VET Data Policy and the Australian Privacy Principles.

Links to Other Websites

Our Website may contain links to other websites of interest, however we do not have any control over those websites. We are not responsible for the protection and privacy of any information which you provide whilst visiting websites linked to our website. Linked websites are not governed by this Privacy Policy & Notice and you should exercise caution when accessing linked websites by reviewing the associated Privacy Policy applicable to individual websites.

Controlling your Personal Information

Choice, Declaration and Consent: Providing FTA with your personal information is entirely optional to you. You can choose not to provide personal information, however this may impact your ability to effectively enrol. When you provide us with your personal information, you consent to the terms in this Privacy Policy & Notice, and to us disclosing or receiving your personal information for the purposes listed herein. FTA will not sell, distribute or lease your personal information to third parties unless we have your permission or are legally required to do so. When enrolling, you will be asked to declare that you have provided all necessary information reasonably required to enrol you, and that you understand and consent to the collection, use and disclosure of your personal information in accordance with this Privacy Policy & Notice, Australian Privacy Principles, and the National VET Data Policy.

Anonymity and Pseudonymity: FTA will provide individuals with the option of remaining anonymous or using a pseudonym in their dealings with us where it is lawful and

practicable (e.g., when making an enquiry). Generally it is not practicable or lawful for us to deal with individuals anonymously or by pseudonym once enrolled. To make formal enquiries on your enrolment, you will be required to verify your legal identity.

Restrict: You may choose to restrict the collection or use of your personal information. If you have previously agreed to us using your personal information for direct marketing purposes, to third parties including employers or mentors, you may change your mind at any time by contacting us in writing.

Access: You may request details of personal information that we hold about you in accordance with the provisions of the Privacy Act 1988 (Cth). A small fee may be payable for the provision of information to cover administrative costs. If you would like a copy of the information which we hold about you, a request can be submitted in writing, however FTA reserves the right to refuse the application in certain circumstances, as set out in the Privacy Act.

Correction: If you believe that any of the information that FTA holds on you is inaccurate, out of date, incomplete, irrelevant or misleading, you may apply in writing at any time to amend or update your details. We rely solely on clients advising us when their personal information changes and take no responsibility for communications which are missed or not received due to information held on file which is out of date. Any request to update personal information must be received in writing and will be responded to within a reasonable timeframe, with file records updated promptly.

Marketing: FTA will communicate marketing materials with you from time to time, however you have the right to unsubscribe or opt out of communications at any time by contacting us to update your preferences. FTA's contact details are listed at the bottom of this policy.

Complaints

We take what we do seriously, therefore if you believe that FTA has breached the Australian Privacy Principles, the National VET Data Policy, or this Policy, a breach of privacy notification can be submitted in writing, which will be investigated in full within a reasonable timeframe. Upon completion of the investigation, you will be provided with the investigation outcome, including what action has been taken to remedy the breach.
